Education

Fellowship	Shoulder and Sports Medicine Hospital for Special Surgery, New York, NY August 2001 to August 2002
Residency	Orthopaedic Surgery University of North Carolina, Chapel Hill, NC June 1997 to June 2001
Internship	General Surgery University of North Carolina, Chapel Hill, NC June 1996 to June 1997
Medical School	Pritzker School of Medicine, University of Chicago Medical Doctorate, 1996 Chicago, IL October 1992 to June 1996
Undergraduate	University of Chicago Bachelor of Science with Honors, Biological Chemistry Phi Beta Kappa Chicago, IL September 1988 to June 1992

Certification and Licensure

Diplomate of the American Board of Orthopaedic Surgery	Board Certified in Orthopaedic Surgery, July 2004 Board Certified in Orthopaedic Sports Medicine, September 2007
Illinois State Medical License	Number: 036-106233 (ACTIVE)

Professional Memberships

American Academy of Orthopaedic Surgeons

Fellow of the American Academy of Orthopaedic Surgeons

Arthroscopy Association of North America

American Orthopaedic Society for Sports Medicine

Council of Delegates, August 1, 2008 to July 31, 2011

Health Policy & Ethics Committee, 2009 to 2012

American Shoulder and Elbow Surgeons

Professional Appointments

Partner

Hinsdale Orthopaedic Associates, Hinsdale, IL, 2002 to present.

Director

Orthopaedic Sports Performance Institute, Westmont, IL, 2007 to present.

Orthopaedic Surgeon

Illinois Bone and Joint Institute, Westmont, IL, 2020 to present.

Sports Medicine Director

Adventist LaGrange Memorial Hospital, LaGrange, IL, 2014 to 2020.

Steering Committee

Adventist Health Center for Advanced Joint Replacement, La Grange, IL , 2018 to present

University of Illinois-Chicago, Faculty/Site Director

University of Illinois-Chicago/Illinois Bone & Joint Institute Orthopaedic Sports Medicine Fellowship, 2020 to present

Clinical Assistant Professor

Loyola University Medical Center, 2006 to present.

Research Associate

Argonne National Laboratory, 2006 to present.

Research Associate

Edward J. Hines VA Musculoskeletal Biomechanics Laboratory, Hines, IL, 2006 to present

Founder

Orthopaedic Surgery and Sports Medicine Teaching and Research Foundation (OTRF).
Westmont, IL, 2007 to present.

Director

OTRF Athletic Training Residency Program. Westmont, IL, 2010 to present.

Curriculum Vitae
Steven C. Chudik, MD

3

President

Orthopaedic Technologies, 2006 to present.

Consultant

Bioment Comprehensive Shoulder Development Team

Consultant

Arthrex

Consultant

Depuy Shoulder Arthroplasty Development Team

Reviewer

Journal of Arthroscopy and Related Research, 2004 to present

Reviewer

American Journal of Sports Medicine, 2008 to present

Reviewer

Journal of Shoulder and Elbow Surgery

Team Physician

USA Swimming Sports Medicine and Science Network, High Performance Team, 2004 to present

Team Physician

Lyons Township High School, 2002 to present

Team Physician

Hinsdale South High School, 2004 to present

Team Physician

Nazareth Academy High School, 2017 to present

Teaching Positions

Resident Representative

UNC Resident Education Curriculum Committee, 2001-2002. Developed new, two-year rotating orthopaedic resident curriculum schedule and syllabus.

Faculty Instructor

Arthroscopy Association of North America Advanced Shoulder Arthroscopy Course, Masters Experience. Orthopaedic Learning Center, Rosemont, IL, Fall 2002.

Curriculum Vitae
Steven C. Chudik, MD

4

Faculty Instructor

Arthroscopy Association of North America Advanced Shoulder Arthroscopy Course, Masters Experience. Orthopaedic Learning Center, Rosemont, IL, Winter 2003.

Faculty Instructor

AAOS/ASES, Open and Arthroscopic Surgery of the Shoulder Course. Orthopaedic Learning Center, Rosemont, IL, April 2005

Faculty Instructor

AAOS/AANA, Shoulder Arthroscopy Skills Course. Orthopaedic Learning Center, Rosemont, IL, March 2006.

Faculty Instructor

Arthroscopy Association of North America Advanced Shoulder Arthroscopy Course, Masters Experience. Orthopaedic Learning Center, Rosemont, IL, April 2006

Faculty Instructor

Arthroscopy Association of North America Advanced Knee Ligament Course, Masters Experience. Orthopaedic Learning Center, Rosemont, IL, April 2006

Faculty Instructor

AAOS/ASES, The Shoulder: An Arthroscopic Odyssey. Orthopaedic Learning Center, Rosemont, IL, July 2006.

Faculty Instructor

Arthroscopy Association of North America Advanced Knee Cartilage Course, Masters Experience. Orthopaedic Learning Center, Rosemont, IL, September 2006.

Faculty

Biomet Grand Rounds, January 2006 to 2008.

Faculty Instructor

American Academy of Orthopaedic Surgeons, Open and Arthroscopic Techniques of the Shoulder Course. Orthopaedic Learning Center, Rosemont, IL, April 2007.

Faculty Instructor

Arthroscopy Association of North America Advanced Shoulder Arthroscopy Course, Masters Experience. Orthopaedic Learning Center, Rosemont, IL, October 2007.

Faculty Instructor

Arthroscopy Association of North America, Advances in Knee Surgery, Cartilage Focus Course, Masters Experience. Orthopaedic Learning Center, Rosemont, IL, September 2008.

Curriculum Vitae
Steven C. Chudik, MD

5

Faculty Instructor

AAOS/ASES, Management of the Unstable Shoulder: Arthroscopic and Open Repair. Orthopaedic Learning Center, Rosemont, IL, October 2008.

Faculty

Loyola University of Chicago, Stritch School of Medicine, STAR (Student Training in Approaches to Research) Scholarship Program, 2009 to present.

Director/Instructor

OTRF Athletic Training Residency Program, Westmont, IL, 2010 to present.

Clinical Faculty

Chamberlain University Master of Physician Assistant Studies Program, Chicago, 2022 to present.

Honors and Awards

Walter Haas Award, Varsity Football Most Valuable Player, 1991

Academic All-American, 1991

Mary Jean Mulvaney Scholar Athlete Award, 1992

Howell-Murray Award for Outstanding Contribution to Extracurricular Life at the University of Chicago, 1992

Phi Beta Kappa, 1992

National Institute of Health Research Award, 1993

Raney Chief Award, 2001

AANA, Research Grant, 2007

Saint Viator Athletic Hall of Fame, Inducted April 3, 2009

The American Orthopaedic Society for Sports Medicine, Council of Delegates, Service Appreciation, 2008-2011

US News & World Report, Castle Connelly, Top Doctor in Orthopaedics, 2012-2023

Best in Illinois Magazine, 2023

U.S. Patents

Method of Arthroscopic or Open Rotator Cuff Repair Using an Insertional Guide for Delivering a Suture Pin. U.S. Patent Number 8,540,737 B2, issued September 24, 2013.

Acromioclavicular Joint Repair System. U.S. Patent Number 9,387,011 B2, issued July 12, 2016.

Method of Minimally Invasive Shoulder Replacement Surgery. U.S. Patent Number, 9,445,910 B2, issued September 20, 2016.

Guide for Shoulder Surgery. U.S. Patent Number 9,968,459 B2, issued May 15, 2018.

Glenoid Implant for Minimally Invasive Shoulder Replacement Surgery. U.S. Patent Number 9,974,658 B2, issued May 22, 2018.

Cannulated Scalpel. U.S. Patent Number 10,034,674 B2, issued July 31, 2018.

Glenoid Implant with Replaceable Articulating Portion. U.S. Patent Number 11,406,505 B2, issued August 9, 2022.

U.S. Patent Applications

Method of Minimally Invasive Shoulder Replacement Surgery

Serial number 11/518,021, filed September 11, 2006, case I

Humeral Implant for Minimally Invasive Shoulder Replacement Surgery

Serial number 11/525,629, filed September 25, 2006, application published as US Patent App. Pub. 2007/0016305 (Ab)

Glenoid Implant for Minimally Invasive Shoulder Replacement Surgery

Serial number 11/525,631, filed September 25, 2006, case III

Suture Pin Device

Serial number 11/529,185, filed September 29, 2006, application published as US Patent App. Pub. 2007/0027477 (Ab)

Guide for Shoulder Surgery

Serial number 11/529,197, filed September 29, 2006, case IV

Method of Arthroscopic or Open Rotator Cuff Repair Using an Insertional Guide for Delivering a Suture Pin

Serial number 11/585,041, filed October 24, 2006, case 1000.1

Universal Anterior Cruciate Ligament Repair and Reconstruction System

Serial number 11/701,902, filed February 2, 2007 case 1010.1

Acromioclavicular Joint Repair System

Serial number 11/701,845, filed February 2, 2007, case 1009.1

Resurfacing Implant for a Humeral Head

Serial number 13/068,309, filed May 9, 2011, application published as US Patent App. Pub. 2012/0041563 (Ab)

Cortical Loop Fixation System for Ligament and Bone Reconstruction

Serial number 13/998,567, filed 11/12/2013, application published as US Patent App. Pub. 2015/0134060 (Ab)

Cortical Loop Fixation System for Ligament and Bone Reconstruction

Serial number 15/731,719, filed 7/24/2017, application published as US Patent App. Pub. 2019/0021845 (pending)

Humeral Implant and Method

Serial number 13/998,567, filed 17/532,714. filed 11/22/2021 (pending)
